They offer first class service, extraordinary comfort and have some of the finest game viewing imaginable. The result is a wonderful itinerary combining the spectacular game viewing of the Kruger National Park and the exclusive Sabi Sands in South Africa with the Okavango Delta, Botswana and the beauty of the Zambezi River and Victoria Falls.

- 3 nights Ngala Tented Camp on a fully inclusive basis. A beautiful and private place to start your vacation with just six deluxe tents on raised platforms with secluded wooden decks.
- 3 nights Vuyatela in the Sabi Sands where 8 luxury suites each with dressing-room and bathroom with outdoor shower, separate lounge, private deck and plunge pool. This is a great camp, built right beside a water hole and we had water buck and nyala looking in our window – fantastic!
- 2 nights River Club on a fully inclusive basis. Ten luxury thatched chalets overlook the Zambezi River, and have en suite facilities. Two honeymoon suites are available.
- 3 nights Duba Plains on a fully inclusive basis. Guests receive a highly personalized experience as this small and intimate camp accommodates only twelve guests. Each of the six large tented rooms has an en suite bathroom and a veranda overlooking the floodplain.
- 3 nights Chitabe Camp on a fully inclusive basis. Situated on one of the most beautiful islands in the Okavango Delta and surrounded by ancient ebony, leadwood and sausage trees, Chitabe offers eight luxurious, East African style tents each with en suite facilities.

EXCLUSIVE SOUTHERN AFRICA

The Legendary Kruger National Park is the second largest national park in Africa and Ngala Tented Camp, the only private game reserve in the Park, is an elegant and luxurious camp on the banks of the seasonal Timbavati River. Ngala's habitats support an astonishing variety of wildlife including the "big five." This is a fabulous place to start your vacation and all our clients that stay here rave about it.

From Ngala you travel into the Sabi Sands, once the private hunting grounds of the rich and famous, and now probably the finest game viewing destination in the world. Here you spend three nights at the magnificent and highly regarded Vuyatela.

The game here is extraordinary, with "big five" sightings almost a daily event. The camp is built on the edge of a water hole which is frequented by nyala, water buck, elephant and the most beautiful bird life.

Flying north you spend two nights at the River Club on the banks of the Zambezi River, Zambia and enjoy the Seventh Wonder of the World, Victoria Falls – "The Smoke That Thunders."

After a full day to explore the Falls and the wonderful open air markets you will transfer to a very different part of Africa, the magnificent and unique Okavango Delta in Botswana with its splendid camps, magnificent game and simple tranquility. Here you spend three nights at each of two really fabulous camps, Duba Plains and Chitabe Camp.

Duba Plains offers thrilling wildlife sightings as thousands of buffalo are hunted almost daily by up to four different prides of lions and often the hunting is during the day - so one gets great photo opportunities. Leopards are found on the forested islands and birding "specials" like wattled crane and slaty egret are often seen.

"Watching the lion stalking buffalo on the plains at Duba was the most interesting and exciting thing I have ever seen."

Your last camp is Chitabe in an area with a superb variety of habitats, including waterways and marshlands, dry acacia and mopane woodland, riverine areas, open grasslands and seasonally flooded plains. The wildlife is equally diverse with Elephant, Buffalo, Lion, Leopard, Cheetah and even the highly endangered Wild Dog.
