

TANZANIA – THE HEMINGWAY STYLE SAFARI

11 days/ 10 nights in Tanzania

The Serengeti is the classic safari destination. Combine it with the Ngorongoro Crater and the Tarangire National Park and you have a fabulous Tanzania wildlife experience.

You will love the HEMINGWAY style full service tented safari, which makes use of private campsites, which we combine with a few nights in very comfortable Lodges while the camp moves.

- 1 night Mountain Village, Arusha on a bed and breakfast basis
- 2 nights Tarangire National Park on a fully inclusive basis. You will stay in the Luxury Mobile Camp pitched on a low cliff overlooking the seasonal Tarangire River where we had the thrill of watching a herd of elephant walk slowly past us as we enjoyed sundowners around the open fire – fantastic!
- 1 night Ngorongoro Farm House on a fully inclusive basis. This beautiful property is located on a hillside in the foothills of the Ngorongoro Mountain.
- 2 nights Ngorongoro Serena Lodge on a fully inclusive basis. Perched on the edge of the crater, this beautiful lodge affords panoramic views of the crater floor. The interior decor recalls the theme of the prehistoric past with decorative wall paintings. The food served in the dinning room is considered the best at the Crater. Most guest rooms have private terraces with views of the crater floor, where countless animals make their home, and all are en suite.

- 4 nights in the Serengeti National Park on a fully inclusive basis. Your Luxury Mobile Camp has moved to your private camp allowing you to escape the crowds so that it sometimes feels as though you have the whole of the Serengeti as your private playground. The HEMINGWAY style mobile safari is a full service tented safari, with large canvas tents, all with large beds, en suite showers and, uniquely, flushing toilets. The camp is pitched before your arrival when your Butler will greet you with juice and refreshing towels.

TANZANIA – THE HEMINGWAY STYLE SAFARI

“Watching the giraffe walk past our tent, pausing occasionally to peer at us, and no sign of mankind to be seen anywhere across the great sea of Serengeti grass was one of the highlights of this most wonderful vacation” – *G.F. Houston*

Exploring Northern Tanzania with enthusiastic, trained, English speaking guides who are determined to show Tanzania’s animal and scenic wonders the best possible light is one of the great wildlife experiences.

Many of the guides have worked on film projects with noted European wildlife filmmakers, and know how to set you in the best position to take superior photographs. They love to get off the beaten path and enjoy long days observing animals and birds.

We use rugged custom 4 x 4 vehicles for maximum comfort and safety and no mileage limits are imposed on the guides so they have the freedom to follow the game or visit a distant tribe.

“Julius and Pascal were excellent guides. Thank you to Graham for the field guides and for helping my Dad plan this trip.” – *R. T. Houston*

Cool beers, wine or your favorite beverage, await you at the dining tent or campfire. Excellent pre dinner bites are served and hot showers are ready about five minutes after you inform the tent steward. Delicious meals are served in the dining tent.

The Serengeti is home to the Great Migration where more than a million wildebeest and zebra follow the rains in search of new grass, followed, inevitably, by the predators. It really is a most amazing spectacle.

The Ngorongoro is simply exciting. This vast volcanic crater is hidden from view until, when you reach its rim, it magically appears, 2,000 feet below you. Nearly 100 sq. miles in area the Crater contains an impressive variety of wildlife including black mane lions, the highly endangered black rhino, elephants, hippo, and herds of gnu and zebra.

The Tarangire Luxury Mobile campsite is ideally situated on a low cliff above the seasonal Tarangire River and the park is home to an enormous number of elephant. To sit at the early evening fireside, chatting with fellow guests and watching the animals move below you is something you will never forget.

We offer scheduled departures every month except during the rains of April and May. If you prefer, you may also book your own private departure with a minimum of four guests.
