

TANTALIZING TANZANIA: THE NGORONGORO CRATER, THE SERENGETI, TARANGIRE AND SINYA

A classic, 14 day photographic safari for those who want an unsurpassed Tanzania wildlife experience.

Tanzania has the finest game viewing in East Africa. Can you imagine an itinerary that takes you to the most famous game viewing destinations in the world; the sensational Serengeti, the incomparable Ngorongoro Crater, the Tarangire National Park and, introduces you to Sinya Camp at the western base of Mount Kilimanjaro?

- 1 night first class lodge in Arusha on a fully inclusive basis.
- 2 nights Sinya Camp on a fully inclusive basis. This permanent tented camp is located immediately beneath Mount Kilimanjaro on its western side and has just 10 luxurious en suite “tents” spaced extravagant distances apart for the ultimate privacy. We adored the camp and it has gone straight into our “Top 5 Camps in all of Africa” .
- 2 nights in the Tarangire National Park on a fully inclusive basis. You stay in your Luxury Mobile Camp pitched overlooking the seasonal Tarangire River. We had the thrill of watching a herd of elephant walk slowly past us as we enjoyed sundowners around the open fire – fantastic!
- 1 night at the beautifully refurbished Ngorongoro Farm on the Ngorongoro Highlands on a fully inclusive basis.
- 2 nights at the Ngorongoro Crater Lodge on a fully inclusive basis. This is unquestionably one of the most luxurious of all the lodges in Africa and another of our “Top 5 Camps in all of Africa.” This romantic camp is ideal for celebrating a special occasion. All the suites, which are generously proportioned, are discreetly tended by a personal butler, have an en suite bathroom and chandelier-lit bath-tub and shower.

- 4 nights in the Serengeti National Park on. Your Luxury Mobile Camp has moved to your private camp allowing you to escape the crowds so that it sometimes feels as though you have the whole of the Serengeti as your private playground. You will love the HEMINGWAY style, full service tented safari, with its large canvas tents, all with large beds, en suite showers and, uniquely, flushing toilets. The camp is pitched before your arrival when your Butler will greet you with juice and refreshing towels.
- 1 night Willy's House, Arusha a fully inclusive basis. A nice way to wind down at this private property in the center of Arusha.

TANTALIZING TANZANIA

“You know you are in Africa when you wake up in your luxurious tent, step outside and see the snowy cap of Mt. Kilimanjaro rising majestically above the mist – fabulous!” – *E.H. USA*

This is our most popular Tanzanian safari. A marvelous mixture of luxurious permanent tented camps, exotic lodges and fabulously comfortable and remote mobile safari camps.

What could be better than to see the magnificence of Kilimanjaro, the beauty of the Tarangire, the uniqueness of the Ngorongoro Crater and, to cap it all, the unequalled Serengeti?

The wildlife in Tanzania is world renowned. The Serengeti is home to the Great Migration where more than a million wildebeest and zebra follow the rains in search of new grass, followed, inevitably, by the predators. It really is a most amazing spectacle.

The Ngorongoro is simply exciting. This vast volcanic crater is hidden from view until, when you reach its rim, it magically appears, 2,000 feet below you. Nearly 100 sq. miles in area the Crater contains an impressive variety of wildlife including black mane lions, the highly endangered black rhino, elephants, hippo, and herds of gnu and zebra.

The Tarangire Luxury Mobile campsite is ideally situated on a low cliff above the seasonal Tarangire River and the park is home to an enormous number of elephant. To sit at the early evening fireside, chatting with fellow guests and watching the animals move below you is something you will never forget.

And Sinya Camp has become an instant favorite. Completely off the beaten track, immediately beneath Kilimanjaro in an exclusive concession you have a beautifully isolated and luxurious camp. You will not find this camp in any of the guide books or travel brochures – it is truly a unique experience.

“Sinya was extraordinary and we wished we had planned more time there”
– *R.H. Houston*

You will love the game drives, guided walks and the very best Maasai cultural experience we have ever known. The Maasai in the Sinya boma are so protected from tourists that they are as interested and as excited in seeing us as we are in seeing them.
